# Commander Touch Vehicle Radio

Model #: SXVCT1

commander TOUCH™

Full-Color, Touchscreen Dash-Mounted Radio.

FEATURES - Built for the Pro, Designed for Custom Installation.

- Enjoy SiriusXM through your vehicle's in-dash audio system* with controls on the color touchscreen display

- Compact touchscreen controller (4" W x 2.22" H), mounts directly to your dash, and the tuner hides discreetly behind the dash for a fully integrated look with no/minimal visible wires

- Full-color display with album art, artist name, song title, channel logos and program information

- Pause, Rewind and Replay live Satellite Radio

- Automatically start songs from the beginning on your favorite channels with TuneStart™

- Use TuneMix™ to hear a mix of songs from your favorite channels

- Keep moving with the most current updates using Traffic & Weather Now™

- Connects to any radio with either an AUX input or FM connection

- Commander Touch can easily be updated by a USB flash drive (not included) to add new features and capabilities as they become available. Please visit **www.siriusxm.com/commandertouch** for more information
